“Be in Control”.
Even if your keys are stolen, your vehicle is safe!
The “intelligent” vehicle anti-theft solution.

Theft and hijacking of motor vehicles have become a way of life in South Africa, and according to statistics, it is unfortunately on the rise. Whilst there have been many devices put on the market that help in many different ways, vehicles are still being stolen.

Planetron Distributors is proud to offer the *Ghost Anti-Theft-System* developed in South Africa for South Africans.
